

Dance Classes @ Springbank Cottage Care September through December 2019

A fun dance class offered to ages 3+ (only open to SCC clients). As it will be a "Fusion" class, it will introduce the dancers to multiple styles, including Ballet, Jazz, Lyrical, Hip Hop, Acro, and Musical Theatre! We will focus on balance, coordination, flexibility, and building a strong foundation, while allowing the dancers to have fun and be creative! For the Fall, we will be offering three different classes for different age groups, and if the dancers choose to continue after the New Year then they will have the option to be included in our Year End Recitals in June. ☺
